
ReLovenship™: Look Within To Love Again!

A workbook to attract “the one” in your life and much more!

The great majority of self-help and personal development books tell its readers that they need to get something that they don't already have in order to achieve success. Often times, such books hold screaming titles that loudly shout their quick fix, all-encompassing “get there in less than 30 days” type of approach. For *ReLovenship™: Look Within To Love Again!* authors Mario P. Cloutier and Diane Sawaya Cloutier, finding a soul mate—or “the one” as they refer to this person—is not a “quick fix” and it can't also be left solely to chance or to “wishful thinking.” It takes dedication, a mindset shift and a systematic methodology, especially when a person has lived through one or more major breakups.

Blending practicality and spirituality, this action-oriented workbook is filled with tips and questions one needs to ask oneself to finally find a blissful relationship. As they walk the readers through their process, each of the authors share different approaches to help them see that there is not just one way to find the most important relationship in one's life.

At a glance:

- A workbook to attract “the one” in your life and much more!
- Told by two people with “hands on” experiences
- Provides a unique masculine and feminine perspective on the “soul mate matter”
- A true “how to guide” filled with practical tools and tips
- The authors and relationship coaches are also about to take the book's content on the road for live workshops

Mario and Diane are not psychologists but rather, they are individuals who each experienced breakups and divorces before finally attracting a blissful relationship. They met in 1995, became romantically involved in 1998 and married in 2001. They have been fascinated by “soul mate relationships” after being told, and realizing, that very few people succeed in attracting “the one” after they lived through one or more serious breakups. Together they are the proud parents of three great children: Noémie and Malorie, Mario's daughters from his first marriage, and Peter, who is Diane' son from her first marriage.
